02 | UNDERSTANDING QTG'S SEWP VI CONTRACTS

A concise view of the SEWP VI vehicle, QTG contract scope, and the capabilities available to ordering agencies.

ABOUT NASA SEWP VI

NASA's Solutions for Enterprise-Wide Procurement (SEWP), pronounced "soup," is a Government-Wide Acquisition Contract (GWAC) that provides federal agencies access to Information Technology, Communications, and Audio-Visual (ITC/AV) products, solutions, and services.

FAIR OPPORTUNITY

SEWP VI is a multiple-award contract. Orders exceeding $10,000 are subject to FAR 16.505(b)(1) fair opportunity requirements. NASA's online Quote Request Tool (QRT) is the recommended method for soliciting quotes from eligible contract holders.

03 | HOW TO ORDER THROUGH QTG

A straightforward process from requirement development through delivery and post-order support.

01 DEFINE
Develop the scope, specifications, or other requirement documentation.

02 SELECT
Choose Category B or C based on the nature and scale of the requirement.

03 REQUEST
Submit an RFQ through the NASA SEWP Quote Request Tool (QRT).

04 EVALUATE
Review responses in accordance with agency procedures and fair opportunity requirements.

05 AWARD
Issue the Delivery Order through the ordering agency procurement office.

06 PERFORM
SEWP PMO processes the order and QTG begins fulfillment/performance.

GETTING A QUOTE

Agencies may request a quote from QTG through the SEWP QRT. The tool automatically includes eligible contract holders for the selected category. Customers may also contact QTG directly for pre-quote assistance, capability questions, or help determining the appropriate QTG contract category.

POST-DELIVERY SUPPORT & ORDER TROUBLESHOOTING

QTG provides a centralized point of contact for SEWP VI order support, including:

- Installation coordination
- Basic and extended warranty assistance
- Technical and software support coordination
- Delivery, shipping, or order discrepancies
- Invoice and billing questions
- Order modifications and issue escalation

To initiate support, contact the QTG SEWP VI Program Manager or Deputy Program Manager. QTG will coordinate with the ordering agency and SEWP PMO, as needed, to resolve the issue.

IMPORTANT ORDERING NOTES

- Each agency follows its own internal process for Purchase Requests (PRs) and Delivery Orders (DOs).
- The NASA SEWP Program Management Office (PMO) does not issue Delivery Orders; the issuing agency retains ordering authority.
- Order modifications must also route through the SEWP PMO before they take effect.
- QTG accepts credit card orders for lower-dollar purchases when permitted by the ordering agency.
